## Freelance

### Freelance Video Editor

September 2013 - August 2017 (4 years)

Cardiff

I am a versatile editor who enjoys getting wrapped up in a challenging project. I'm at my element editing any genres and find a thrill in tackling any new edits. I've produced corporate adverts for Blood Bikes and Go-Rookie. So far some out of the more 'out-of-the-ordinary' things I've dabbled with in film include: puppets, computer based universes and even editing long form game-play content.

## Newport Live

### Barista/Food and Beverage Assistant

October 2016 - July 2017 (10 months)

Worked as food and beverage assistant across Newport Live venues.
